I think this works

As far as the Valentine hearings: we wanted to provide access to the public including residents of South Dakota and Nebraska reservations (Rosebud, Pine Ridge, Yankton, Santee Sioux, and Ponca) by locating the first round of hearings in Valentine. There were about 50-60 attendees and about 20 actual public comments heard/recorded.

Should I state Tribe names instead of reservations then? Oglala Sioux,

This looks good, Lisa!

One additional point about the Valentine hearing: please include the Santee Sioux and Ponca Tribes of Nebraska in the list of Tribes.

Thanks!

Hey folks – I prepared the below for Seth Tupper who wants to publish information about the hearings this weekend or Monday. He wanted some help in understanding the complexities so I grabbed from the comm strat in hopes of covering his questions. He had a few other questions about the Valentine hearing and about what happens if the permits are finalized. Let me know if you have any concerns about sharing this information. I believe it is within the parameters of the information already available under the public comment period.

Lisa
